Segment information

1. Overview of reportable segments

The Yamamura Group's reportable segments are group components for which separate financial information is available and which are regularly reviewed by the management decision-making body in deciding how to allocate resources and in assessing their performance.

The Yamamura Group manufactures and sells glass bottles, plastic containers and new glass products. In addition, the group conducts business in the design/fabrication/sale/transportation/storage/yard operation etc. of equipments and plants related to the above business fields.

The Yamamura Group defines following four business segments as its reportable business segments based on the business activities described above: Glass bottles business, Plastic containers business, Logistics business, New glass business.

2. Method for calculating sales, profit/loss (\triangle), assets, liabilities, and other items for each reportable segment

The accounting methods applied to the business segments reported are generally the same as the those for the consolidated financial statements.

Intersegment sales and transfers are based on market price.

3. Disclosure of net sales, profit/loss (\triangle), assets, liabilities, and other items for each reportable segment Previous fiscal year (Cumulative results for April 1, 2018 – March 31, 2019)
